Website

Discussion about website; Rachel offered to explain roles to Alice. Alice thinks we need a new website

ULSA membership

BCA insurance cost has gone up; so insurance cost (through membership) will go up

Membership price, Rachel suggests we just get rid of £5 option; agreed that we could keep it as majority of people pay £10 anyway

Rachel wants to include demographic data in membership form. She'll send questions round for agreement and if no one disagrees will include them

ULSA OFD permit

Rachel thinks we should have an OFD permit; might be some cost

Arthur; SWCC website says you need to arrange a key with permit officer, Rachel thinks this is old. If cost is minimal (<£30). Nat will action this.

Grant

Transpennine Route Upgrade Community grant, discussion as to whether we could do a local project, decided against it.

AOB

none

Date and time of next meeting
